Dear Members of the LCMC,

Thank you for your participation at today's LCMC meeting.

The presentations for Agenda Item 4: Federal Update – Status of Infrastructure Investment and Jobs Act and Inflation Reduction Act and Agenda Item 5: End of Legislative Session Update/Climate Package Update, have now been posted on SCAG's website and may now be accessed here: <https://scag.ca.gov/lcmc-sep-2022>.

The recording of the meeting will be uploaded and viewable on SCAG's Meeting Portal in the coming days:
<http://scag.iqm2.com/Citizens/Calendar.aspx>.

Additionally, as a follow up from today's meeting in response to the question that was raised during Mr. Kevin Gilhooley's presentation, please note:

- As of September 17, the day after Governor Newsom signed the Climate Package into law, the Governor had acted on just over 400 bills, with a four percent veto rate. He has 700 more bills to act on by the Friday, September 30 deadline.

If you have any questions on the presentations, please feel free to contact Mr. Gilhooley at gilhooley@scag.ca.gov.

Thank you again for your participation and discussion today. We look forward to seeing you at the next LCMC meeting on Tuesday, November 15, 2022 at 8:30 a.m.

Best,
Maggie
