**SUBJECT: AMENDMENT #19-25 TO THE 2019 FEDERAL TRANSPORTATION  
IMPROVEMENT PROGRAM (FTIP)**

Dear Mr. De Terra:

Under authority granted to me by the Southern California Association of Governments (SCAG) Regional Council, I hereby approve and transmit amendment #19-25 for projects in Imperial County. Included in this amendment package is a narrative describing the projects being amended, project listing reports and a financial plan. No conformity determination analysis was needed for any of the projects in this amendment.

This amendment:

- Is consistent with the 2020 Connect SoCal - Regional Transportation Plan/Sustainable Communities Strategies (RTP/SCS);
- Does not affect the regional emissions analysis of the FTIP;
- Does not affect the timely implementation of the Transportation Control Measures; and
- Does not adversely impact financial constraint.

Furthermore, SCAG through its function as the designated Metropolitan Planning Organization (MPO) has found the attached projects to conform to the applicable State Implementation Plan.

In addition, SCAG has completed the interagency consultation and the public participation process for this amendment on August 10, 2020. No comments were received during the public review period.
