# NOTICE OF PUBLIC HEARINGS

## Proposed Regional Housing Needs Assessment (RHNA) Allocation Methodology

The Southern California Association of Governments (SCAG) will conduct four public hearings related to the Proposed RHNA Allocation Methodology with options, which is officially available for public review and comment as of August 2, 2019. The RHNA is mandated by State Housing Law to quantify the existing and projected need for housing by income categories for each local jurisdiction during specified planning periods. SCAG is in the process of developing the 6th cycle RHNA allocation plan which will cover the planning period October 2021 through October 2029. After SCAG adopts the RHNA allocation plan in October 2020, local jurisdictions will have one year to update their Housing Elements to ensure adequate zoning capacity for the allocated housing needs by income categories. The following public hearings will provide information regarding SCAG's proposed RHNA allocation methodology options, and serve as an opportunity for any member of the public to provide comments regarding these options.
