## **SOUTHERN CALIFORNIA ASSOCIATION OF GOVERNMENTS**

### **INTERGOVERNMENTAL REVIEW BI-MONTHLY REPORT**

This Intergovernmental Review Bi-Monthly Report summarizes the federal grant applications, environmental documents and other information received by SCAG's Intergovernmental Review (IGR) Section during the period **9/1/2021 through 10/31/2021**. The Bi-Monthly Report consists of two types of entries: Federal Grants and Environmental Documentation.

The Federal Grant entries are provided to inform your organization of all grant applications for federal assistance from our region in accordance with Executive Order 12372. The entries include state sponsored plans and project types such as Housing and Community Development, Urban Mass Transit, and Human Services. The Environmental Documentation entries describe regionally significant and non-regionally significant facilities (e.g., transportation, wastewater treatment), residential, commercial, and industrial projects which have been voluntarily submitted for review by local governments. Environmental documents received include Notices of Preparation, Environmental Impact Reports, Environmental Impact Statements, Negative Declarations and Mitigated Negative Declarations.

A SCAG Project Identification Number organizes project descriptions for both the Federal Grant and Environmental Documentation entries.

### **IGR CONTACT**

To include the interest of your jurisdiction or comment on proposed comprehensive planning, areawide coordination or environmental impacts please contact the IGR Section prior to **11/30/2021**. Please send one (1) copy of all environmental documentation. Also, please provide the name and telephone number of the contact person on your transmittal. We may be reached at:

Mailing Address: **Southern California Association of Governments**  
Intergovernmental Review Section  
900 Wilshire Blvd., Ste. 1700  
Los Angeles, CA 90017

Telephone: (213) 236-1800  
Email: [igr@scag.ca.gov](mailto:igr@scag.ca.gov)

Questions regarding the Bi-Monthly Report should be directed to Anita Au, (213) 236-1874.

### **MORE INFORMATION**

The IGR web page includes staff prepared publications describing items and projects received by the IGR Section, and other web sites that may be useful to persons seeking information about how to comply with CEQA and the CEQA Guidelines. For more information, please visit SCAG's IGR web page at [www.scag.ca.gov/igr/](http://www.scag.ca.gov/igr/).

Contact: Grace Williams - (951) 656-7000

Comment Due Date:

Project Description: Notice of Public Hearing

Located in unincorporated Riverside County, California, the proposed project includes the construction of a 41,000 square foot refueling facility to the east of the existing UPS Parcel Delivery Terminal site. The proposed project improvements include the installation of unleaded and diesel refueling dispensers/islands, a dispenser canopy, one (1) 20,000-gallon diesel above ground storage tank, two (2) 10,000 gallons unleaded above ground storage tanks and nine (9) light poles.

This notice is to advise that the March Joint Powers Authority will consider the proposed project under the circumstances that all environmental issues were covered in the certified FEIR for the March Business Center Specific Plan Amendment (SP-1).

A public hearing is scheduled for September 8, 2021 at 3:00 p.m. at the March Joint Powers Authority Conference Center, located at 14205 Meridian Parkway, Board Room, Riverside, California 92518.

Comment Due Date: 10/19/2021

Project Description: Notice of Completion of a Draft Subsequent Environmental Assessment

Located in the South Coast Air Quality Management District, California, Proposed Rule (PR) 1109.1 aims to reduce NOx emissions, while not increasing CO emissions, for combustion equipment at petroleum refineries and facilities, PR 429.1 will provide an exempt from the NOx and CO emission limits in PR 429.1 during startup, shutdown, and certain maintenance events. With the adoption of PR 1109.1, the existing Rule 1109 will be outdated. The objective of Proposed Amended Rule (PAR) 1304 and PAR 2005 Best Available Control Technology exemption for PM 10 and SOx emission increases associated with the add on air pollution control devices associated with PR 1109.1

Comment Due Date: 10/14/2021

Project Description: Notice of Preparation of a Draft Environmental Impact Report and Notice of a Public Scoping Meeting

Located in the County of San Bernardino, California, the proposed project uses advanced water purification to treat and store up to 15,000 acre-feet per year (AFY) of recycled water and extract water during "call" years for a 25-year period to reduce water dependence on imported Lake Orville water. The project relies on water transfer agreements through Metropolitan Water District of Southern California and would produce 15,000 AFY for the State to exchange in drier years that would provide the most ecosystem benefit to the Bay Delta instream. The lead agency will consider a permanent increase in Safe Storage Capacity up to 850,000 AF and after the 25-year period, the water will be available for local use.

A public scoping meeting will be held on October 5, 2021 at 6:00 PM at the Agency Headquarters, Board Room, 6075 Kimball Avenue, Building A, Chino, California 91708.

Comment Due Date: 11/8/2021

Project Description: Notice of Preparation of a Supplemental Environmental Impact Report

Located in unincorporated County of Los Angeles, California, the proposed project consists of modified development within the Entrada and Valencia Commerce Center (VCC) Planning Areas from the planned development in the State-approved Newhall Ranch Resource Management and Development Plan and Spineflower Conservation Plan EIR. The modifications to the Entrada Planning Area include 151 fewer residential units for a total of 1,574 units; an additional 280,000 square feet (SF) of non-residential uses for a total of 730,000 SF; drainage channel enhancements, and additional open space to improve wetland protection on 382 acres. For the VCC Planning Area, there is no change to the 3,400,000 SF of industrial/business park space, but modifications include increased open space, restored drainage areas, and habitat for species in Halsey Creek and Castaic Creek on 321 acres.

A virtual scoping meeting is scheduled for October 19, 2021 at 6:00 p.m.
