Challenges & Opportunities: Tribal Consultation

California State Laws

- SB 18
- AB 52

Step by Step

LAKE LOS ANGELES

Lessons Learned:

- **Meet people where they're at (existing events, groups, meetings)**
- **Engage community members early on and frequently**
- **Empower residents to hold the County accountable**
- **Lift up the voices of marginalized residents**
- **Collaborate with other community groups, County departments, and local tribes.**
